From the President...

Welcome to our Diamond Jubilee celebration. When the Camberwell Music Society began in 1963, who would have thought that it would be 60 years old one day? Certainly, the society has been through some hard times. For the last three decades, however, we think that we have found the right formula: presenting the very best of fine music; doing so in a local venue; keeping our subscription and ticket prices as low as we can (whilst paying proper fees to our musicians); and promoting fellowship among our audience, especially by offering refreshments after each concert. Please subscribe and help us celebrate this significant milestone. We know you will enjoy the concert program you will find in this brochure.

24 October - Piano Fantasy

Elyane Laussade is one of Australia's most acclaimed pianists and a CMS favourite. Her current Mozart Piano Concerto project is one of the most ambitious concert series ever undertaken in Australia by a solo artist. In this concert, Elyane explores the improvisational brilliance of Bach's Chromatic Fantasy and Fugue as well as perhaps Mozart's most ambitious and pathos-laden keyboard work the Fantasie in C minor, K 475. Schubert's celebrated Wanderer Fantasy, one of his most expansive yet integrated musical canvases, brings the recital to an exciting and triumphant conclusion.

9 September - Firebird Trio

One of Australia's most eminent chamber ensembles, **Firebird Trio** performances reflect the energy, colour and splendour of the Firebird, taking their name from Stravinsky's iconic ballet. In this program they present Rachmaninov's Trio élégiaque in D minor, a work which evokes the virtuosic, brooding colours of late 19th century Russian music. Firebird is also delighted to present arrangements of Arcangelo Corelli's Trio Sonatas by their pianist Benjamin Martin. Beethoven's late masterpiece, the late E flat trio, Op 70 No 2 concludes the program.
